Hon'ble Minister for SWE & TWE also welcomed all participants and requested for effective participation. He also informed the house that Hon'ble Chief Minister and Chairman of State Council for development of STs will be reviewing the performance of departments implementing STC (earlier TSP) on quarterly basis positively and hence departments need to plan out for ensuring 100% budget utilization against quarterly targets.

The Principal Secretary, Tribal Welfare, while extending thanks to the Hon'ble Minister for giving direction to convene the nodal agency meeting, explained in brief the importance of TSP Act 2013, and the role of nodal agency in monitoring the Tribal Sub Plan. He indicated the effective implementation of Tribal Sub Plan by incurring an expenditure of Rs.2426.00 crore against Rs.3099.00 cr during 16-17 (78%). He also listed out departments which could not spend the budget allocated during 16-17 and sought their comments for non-utilization of funds. Keeping in view the priorities of Tribals, the plan for 17-18 has been approved for Rs.3528.74 cr, which is more than Rs.500.00 cr as compared to last year (16-17).

The Chairman, Nodal Agency for SCC & STC & Hon'ble Minister for SWE & TWE, in his keynote address has endorsed the view point expressed by Principal Secretary, that the departments showing the nil performance in implementation of plan need to be discouraged and the departments working for tribal welfare need to be encouraged by allocating more funds.
